

REMARKS

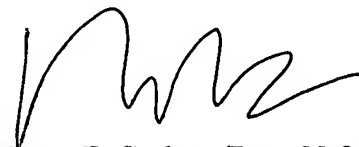

Claim 15 has been amended and claims 14 and 16-19 have been cancelled without prejudice for the sole purpose of reducing initial filing fees, i.e. the amendments are non-substantive. Applicants reserve rights to pursue the subject matter of the cancelled claims in the present or suitable continuing application(s).

No new matter has been added by virtue of the amendments. For instance, support for the amendment of claim 15 appears e.g. in the original claims.

Applicants correct the inventorship of the present application by filing the executed Declaration herewith pursuant to 37 CFR 1.48(f)(1).

Early consideration and allowance of the application are earnestly solicited.

Respectfully submitted,
